

Mountainair, NM

A Frontier Community

September 09, 2015

The Honorable Jon Barela
Cabinet Secretary
New Mexico Economic Development Department
Joseph M. Montoya Bldg.
1100 St. Francis Dr.
Santa Fe, New Mexico 87505-4147

Dear Secretary Barela:

On behalf of the entire community of Mountainair; the mayor and council members, our civic organizations and businesses, and every individual who calls our town home, please accept our sincere thanks to you and the New Mexico Economic Development Department for selecting Mountainair to participate in the FY2016 Frontier Communities Initiative.

Along with the official notification message from New Mexico's MainStreet Assistant Director Daniel Gutierrez informing us of the selection, we have now received from him the official news release announcing Mountainair's selection as a FY2016 Frontier Community. We are presently distributing the release to our local media sources along with posting it on various social media outlets. The committee is scheduled to officially announce the selection to the community at the September 15th town council meeting.

Our Frontier Communities Initiative committee is eager to begin engaging our fellow citizens in a most exciting revitalization project and look forward to working closely with staff from the New Mexico MainStreet Program. Our primary goal in this endeavor is to develop a close and productive partnership with New Mexico MainStreet that will ultimately result in a product that is not only economically beneficial to the Town of Mountainair but will also serve as a source of civic pride and accomplishment for everyone in the community.

Sincerely,

Glenn M. Fulfer

Member, Mountainair Frontier Communities Initiative Committee
