F. DEFINITION OF TERMINOLOGY

This section contains definitions that are used throughout this procurement document, including appropriate abbreviations.

"Bidder" is any person, corporation, or partnership who chooses to submit a sealed bid.

"Close of Business" means 4:30 P.M. Mountain Standard Time (MST) or Mountain Daylight Time (MDT), whichever is in effect on the date specified.

"Contract" or "Agreement" means a written agreement for the procurement of items of tangible personal property or services.

"Contractor" means a successful Bidder who enters into a binding contract.

"Determination" means the written documentation of a decision of the Procurement Officer including findings of fact required to support a decision. A determination becomes part of the procurement file to which it pertains.

"F.O.B. Destination" means goods are to be delivered to the destination designated by the user which is the point at which the user accepts ownership or title of the goods. Laws of New

Town of Mountainair
IFB: Chavez Memorial Park Renovation

Mexico specifically prohibit acceptance of ownership of goods in transit. Any exception to F.O.B. Destination may cause a bid to be declared nonresponsive.

“Governing Body” means the Town Council of the Town of Mountainair.

“Indication of Compliance” means an affirmative indication that the Bidder agrees to comply with a specific requirement. Most commonly this is by checking a “Yes”, “Comply”, or other such box on a form. This may also be accomplished by an express statement wherein the Bidder agrees to unconditionally comply. (Note: Agreeing to comply with a requirement and then adding conditions is NOT considered compliance and may lead to the disqualification of the bid as non-responsive.)

"Invitation for Bids" or "IFB" means all documents, including those attached or incorporated by reference, used for soliciting sealed bids.

"Local public body" means every political subdivision of the state and the agencies, instrumentalities and institutions thereof, including two-year post-secondary educational institutions, school districts and local school boards and municipalities, except as exempted pursuant to the Procurement Code.

"Mandatory" refers to the terms "must", "shall", "will", "is required" or "are required" which identify a mandatory item. Failure to meet a mandatory item or factor may result in the rejection of the submitted bid.

“MDT” & “MST” mean Mountain Daylight Time (MDT) and Mountain Standard Time (MST). Usage is dependent on which is in effect on the date specified.

"Procurement Officer" means the person or designee authorized by the Town to manage or administer a competitive procurement.

“Product” means an item of tangible personal property which is defined in the New Mexico Procurement Code as tangible property other than real property having a physical existence, including but not limited to supplies, equipment, materials and printed materials.

"Purchase Order” or "PO" means the document which directs a Contractor to deliver items of tangible personal property or services pursuant to an existing, valid Contract.

"Purchasing” means the Town of Mountainair Purchasing Officer.

"Responsible Bidder" means a Bidder who submits a responsive bid and who has furnished required information and data to prove that their financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services or items of tangible personal property called for in this Invitation for Bids.

"Responsive Bid" means a timely submitted bid which conforms in all material respects to the requirements set forth in the Invitation for Bids. Material respects of an Invitation for Bids include, but are not limited to, price, quality, quantity and delivery requirements.

“Services” means the furnishing of labor, time or effort by a Contractor not involving the delivery of a specific end product other than reports and other materials which are merely incidental to the required performance. "Services" does not include construction.

"State agency" means any department, Council, council, board, committee, institution, legislative body, agency, government corporation, educational institution or official of the executive, legislative or judicial branch of the government of the State of New Mexico.

“Successful Bidder” means the lowest priced Responsible Bidder to whom Town of Mountainair, on the basis of the Town’s evaluation, makes an award. A Successful Bidder does not become a Contractor until the Town signs the Contract signed and submitted by the Bidder. One or more Purchase Orders will accompany or follow the approval. **Successful Bidders should not provide products or services prior to their receipt of an approved Purchase Order.**

This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

"Prospective contractor" means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.
